Amarula Crème & Crème de Menthe

We are proud to donate £1 from every drink sold on this page to the David Sheldrick Wildlife Foundation and the Marine Conservation Society

The **Amarula** Trust aims to safeguard the African elephant so that we can keep meeting them under the Marula trees. Their focus is on sustainable environmental and educational projects.

With every bottle sold, **Elephant Gin** contributes 15% to two foundations that are dedicated to the conservation of wildlife in Africa: BIG LIFE PROJECT | SPACE FOR ELEPHANTS

Ceylon Arrack is passionate about the native wildlife in Sri Lanka, in particular elephants. 40% of profits from every bottle sold goes towards conservation efforts through a local orphanage

15% of all **Snow Leopard Vodka** profit goes directly to the Snow Leopard Trust to support programs such as livestock insurance and vaccination, education of herder communities and ongoing scientific research.

Pink Pigeon contributes to the Mauritian Wildlife Foundation and helps fund the conservation of the Pink Pigeon.

Toti Rum donates 15% from each bottle sold to Sea Shepherd, supporting marine conservation. In a bid to support to support the environment further, the rum is available in refill eco-pouches.

FAIR. is the world's first and unique Fairtrade Certified spirits brand

We are proud to donate £1 from every drink sold on this page to the David Sheldrick Wildlife Foundation and the Marine Conservation Society
